

# Unitarian

Congregation of Saskatoon

*Freedom of Religious Thought*

**Welcome to our  
Religious Education  
World 2009-2010**

**It Starts with Me!**

Did you know you can change the world? Yep, with just one small step at a time we can make a difference in our own family, schools and communities. And, the best secret is, it can be tons of fun as well! Let change start with you!

# Unitarian Congregation of Saskatoon

*Freedom of Religious Thought*

## Orange Group - 5-6 yrs

This group will be following 2 curricula, *In Our Hands & Rainbow Children*. Both place an emphasis on exploring the concepts of Social and Racial Justice – in the world and with each other. Lots of chances to meet other members of the congregation.

## Youth Group – 13+ yrs

Our Youth Group is encouraged to shape their own areas of study. Discussions are both formal and informal and this year they will be taking an active part in our Sunday Services. Movie nights will also be returning.

## Green Group – 10-12 yrs

The green group will be using *It Starts With Me – A course for Older children in Community Service, Social Activism, and the Spirit of Giving*. We will also be having fun planning some fun and merriment for the congregation this year, stay tuned.

### Please register your children:

It is important that we have current, accurate information for the safety of all our participants. Please register by September 30th. Registration forms are available at all times from the Director of Religious Education or from our website, [www.ucsaskatoon.org](http://www.ucsaskatoon.org).

## Red Group - 3-4 yrs

The *We are Many, We are One* pre-school curriculum is based on exploring relationships with others and the world these children experience every day. The primary goal is to foster a love of learning and connections with others. Lots of activities focused on nature and people.

## Yellow Group – 7-9 yrs

Our Yellow group will also be using an *In our Hands* curriculum along with Oxfam's *Globe in a Box* – a journey through the world's issues using the alphabet and creative activities. Again, a strong emphasis on world issues and social justice.
